

SITE NUMBER: WA-II-978

ADDRESS: 8 Park View, Boonsboro, Maryland

OWNER/LOT NUMBER/ACCESS: private

BUILDING DATE: 1920s-1940s

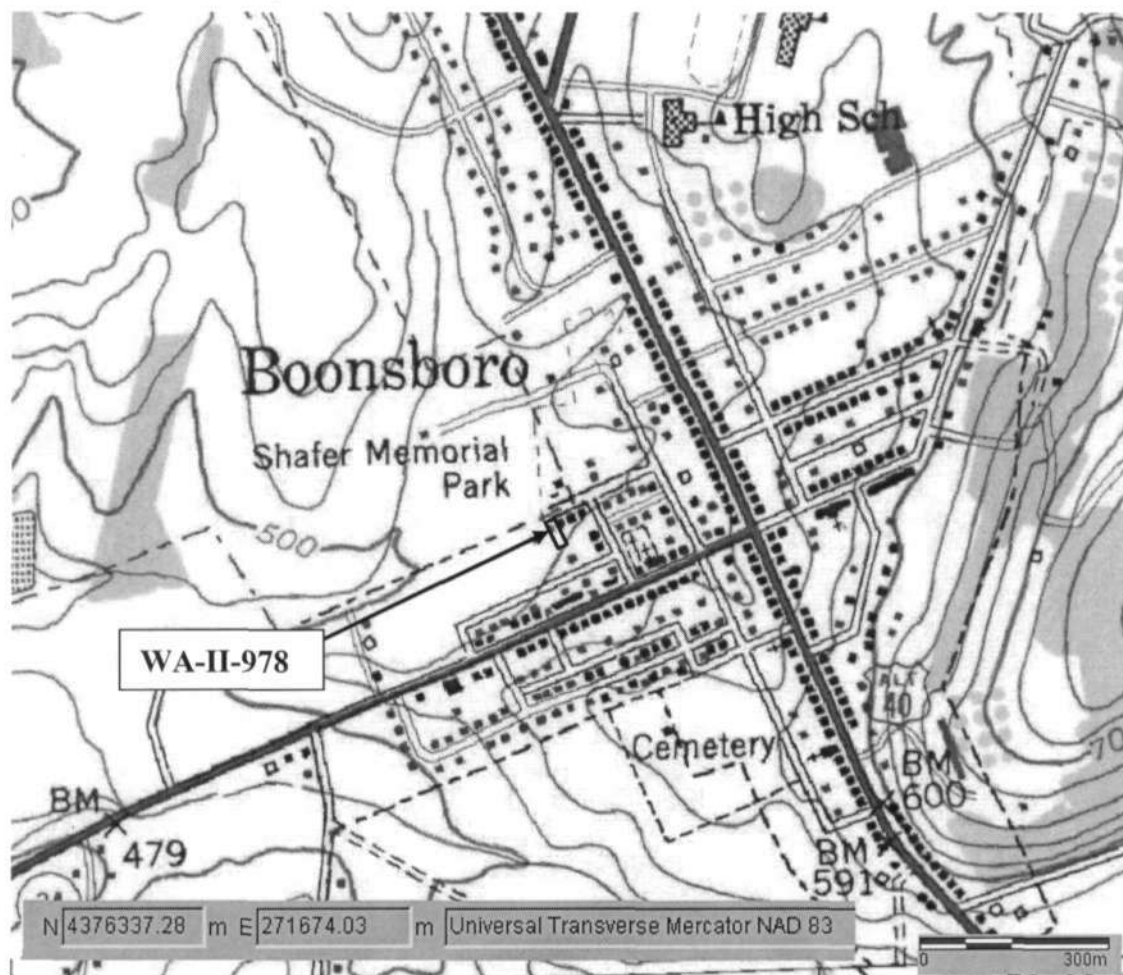

8 Park View is a north-facing, one-and-a-half-story, three-bay, frame, freestanding, residential structure. The building, which is set back from the public-right-of-way, rests on a concrete foundation and has been covered in manufactured siding. It has a side-gable, artificial roll roof with one chimney and a long shed dormer that faces the street. An open porch is set in under the roof on the front facade. It has scalloped trim, a square balustrade and a square corner post. All of the windows have been replaced with modern, double-hung, one-over-one sash.

None of the historic maps of Boonsboro show this section of town. However, based on the style of the building, it appears to have been constructed in the 1920s-1940s.

The building is within the Western Maryland Geographic Organization, the Modern Development Period, and falls within the Historic Period Theme of Architecture, Landscape Architecture, and Community Planning.
